

IGDB API/Data Commercial Usage Addendum

This IGDB API/Data Commercial Usage Addendum (the “Addendum”) is entered into and made part of the Twitch Developer Services Agreement (<https://www.twitch.tv/p/legal/developer-agreement/>) (the “Agreement”) between Twitch Interactive, Inc. (“Twitch”) and the Customer noted below. Capitalized terms not defined in the Addendum will have the meanings set forth in the Agreement.

This Addendum, together with the Agreement, shall govern Customer’s use of the “IGDB Services” (defined below). In the event of a conflict between the Agreement and this Addendum with respect to the IGDB Services, this Addendum will govern.

Customer	<u>william Norman</u>
IGDB Services	The “IGDB Services” consist of the following Program Materials (including data derived from Customer’s authorized use of such services): The IGDB API v4 identified at https://api-docs.igdb.com/. Twitch may increase the scope of services comprising IGDB Services via written notice to Customer. Notwithstanding anything herein, any “personal data”, “personal information”, or any other data relating to an individual is excluded from the definition of “IGDB Services” (and the scope of any provisions contained in this Addendum).
Permitted Purpose	To provide end-user services (excluding independent monetization of the IGDB Services) <u>in Customer's "SpawnRadar.com" product.</u>
Term	This Addendum will remain in effect for a period of one year, and shall automatically renew for successive periods of one year unless either party provides notice of non-renewal at least thirty days in advance of such renewal.
Termination	This Addendum may be terminated by either party upon thirty days’ notice.
Fees	There will be no fees payable under this Addendum.

1. Commercial usage of IGDB Services. For the duration of the Addendum, Twitch authorizes Customer to use the IGDB Services for the Permitted Purpose, whether the embodiment of the Permitted Purpose is commercial or non-commercial; provided that Customer complies with all other provisions of the Agreement and this Addendum. Customer shall use the following ClientID(s) when accessing the IGDB Services to enable certain features exclusive to IGDB data partners: y59t4dzjmrz3mvrzs6umv7j42ggjum. Customer is solely responsible for informing Twitch of any changes or additions to the ClientID(s) and shall do so via written notice.

2. No changes. Except as explicitly stated herein, this Addendum makes no modification, authorization, or waiver regarding Customer’s obligations or rights under the Agreement. Twitch makes no, and expressly disclaims any, representations or warranties regarding the IGDB Services or the Permitted Purpose.

3. Limitations. Notwithstanding anything to the contrary herein, any modifications, authorizations, or waivers of provisions of the Agreement shall only apply to Customer’s use of the IGDB Services for the Permitted Purpose.

4. Contributions to IGDB. Customer shall provide the following services to Twitch for the duration of this Addendum:

- ☒ Attribution. Twitch and Customer shall agree on a reasonable form of attribution to IGDB for Customer's user-facing services impacted by Customer's usage of the IGDB Services. Additional details, if available, may be inserted below:
- In addition to any other appropriate attribution, a disclosure similar to and consistent with the following shall appear on each page of Customer's website, application(s), and/or services using IGDB Services: "Games metadata is powered by IGDB.com," linking to IGDB.
- ☐ Data. Customer shall make certain data available to Twitch as User Content under the Twitch Terms of service at <https://www.twitch.tv/p/legal/terms-of-service/>. Additional details, if available, may be inserted below:
- N/A
- ☒ Inclusion in Data Partner List. Customer grants to Twitch a nonexclusive, worldwide, royalty-free, revocable license to use Customer or Customer affiliates' trade name, trademark, service mark, logo or other commercial symbol in connection with a listing of IGDB data partners, customers, users, and/or contributors.

5. Effect of Addendum termination. Upon the termination or expiration of this Addendum, any authorizations, modifications, or waivers of Twitch Developer Services Agreement provisions made under this Addendum will terminate. Notwithstanding the foregoing, with respect to IGDB Services comprising data collected by Customer prior to the date of termination of this Addendum, the following sections shall survive termination for as long as the underlying Twitch Developer Services Agreement remains in effect:

- The authorization in Section 1 of this Addendum; and
- If applicable, the attribution requirement in Section 4 of this Addendum (to the extent that Customer's usage of the applicable data is commercial).

6. Communication. Twitch shall use the following technical email address to communicate relevant information regarding the IGDB Services to Customer: vvilliamnorman@gmail.com. Customer is solely responsible for informing Twitch of any changes to this email address and shall do so via written notice.

7. Entire understanding. This Addendum (and the Agreement as applicable) constitutes the entire agreement among the parties with respect to the subject matter and supersedes and merges all prior proposals, understandings and contemporaneous communications.
